by mathios stone

# Cool and moody are the name of the game when it comes to industrial design

Mathios Stone Masterbrick collection is the definition of brick profile. With slightly squared edges and time worn colour nuances, it can complement the whole building façade or achieve industrial interior design. A rich colour palette that satisfies even the most demanding taste. Combine with Mathios Grout various options and create a unique design blend.

**Weather Conditions**  
Applicable on Internal & External spaces  
Resistant to: Extreme temperatures from -30 to +50 degrees Celsius, Frost, UV, Different humidity levels, Water.
