RUSTIC DESIGN

# Stones have always fascinated and inspired people

Arcadian is a hymn to rustic beauty. Random stones of various sizes and earthy tones bring a little taste of the serenity and beauty of the Mediterranean region.

Create a unique provincial style facade or eye catching exterior walls. Alternatively, combine it with crude wood and steel or industrial elements such as Masterbrick & Colonial bricks and create dynamic interiors with interesting contrast.

Arcadian **White**

## Weather Conditions

Applicable on Internal & External spaces

Resistant to: Extreme temperatures from -30 to +50 degrees Celsius, Frost, UV, Different humidity levels, Water.
