FIELDSTONE SLIM^S

2026

by Mathios Stone

Designed to Fit. Crafted to Impress

Fieldstone Collection is thoughtfully designed in reduced thicknesses to meet the demands of modern architectural and interior applications. It offers an ideal solution for projects where space, weight, or structural limitations are a concern—such as thermal insulation systems, renovations, and compact or narrow environments.

Combining practicality with refined aesthetics, Fieldstone Slim allows you to enjoy the timeless appeal of natural stone without compromise. Its lighter profile ensures easier handling and installation, while maintaining the authentic texture, depth, and character that elevate any space.

Perfect for those who value both design flexibility and natural beauty, Fieldstone Slim seamlessly integrates into a wide range of styles—from contemporary minimalism to rustic elegance—making it a versatile choice for creating sophisticated, visually striking living spaces.
